

"Important reading for every inspector general"

Hon. Donald Rumsfeld, U.S. Secretary of Defense (1975-77, 2001-06)

Nobody knows the history, traditions, and functions of an Inspector General better than Joe Schmitz.

THE INSPECTOR GENERAL HANDBOOK is a practical guide for anyone working within an IG office who wants to serve in a constitutionally sound role as part of the leadership team.

The IG in any organization should detect organizational performance problems early, and should enable rapid responses so that systemic problems can be addressed before they spread further or cause irreversible damage. This first-ever IG handbook sheds light on an area of American government that is often misunderstood, frequently maligned, and yet indispensable to the functioning of our republic.

This book is a "must read" for all government leaders and for every lawyer who needs to know by what authority and for what purposes an Inspector General serves "We the People" of these United States.

Senator John Ashcroft, Attorney General
of the United States (2001-05)

The office of Inspector General can seem highly problematic, located within each executive department but reporting not only to the head of the department but also to Congress and, through Congress, to the public. Schmitz carefully examines the nature of the institution, and demystifies it while at the same time promoting respect for it. The IG Handbook is a work of lasting value.

Hon. Michael Mukasey, Attorney General of the United States (2007-09);
Judge, U.S. District Court for Southern District of New York (1988-06)

Joe Schmitz' IG Handbook delivers a previously missing link in the understanding of post-9/11 law enforcement professionals who take an oath to support and defend the Constitution of the United States against all enemies, foreign and domestic. Of all public sector professionals, Inspectors General should be transparent; the American People ought never to wonder why an IG does what he or she does. And with Joe's IG Handbook, that transparency is now achieved.

Hon. Louis J. Freeh, FBI Director (1993-2001); Judge, U.S.
District Court for Southern District of New York (1991-93)

The IG Handbook explains the pivotal role Inspectors General play in protecting the interests of the American Taxpayers. Former Inspector General Schmitz explores the need for IGs to rely on solid judgment, skill and courage. This handbook is worthy reading for any public official truly interested in, or responsible for, combatting waste, fraud and abuse in government.

Senator John McCain
